- West Chester Camp Only: Please arrange to take a few vans to camp. The café is a long walk. If you don't have vans for players please make sure you have a car for coaches. Any questions please call Jim Cantafio at 717-468-7185.
- Three in Room Policy: If we have a problem getting everyone into the dorms due to a large turn out. SVS reserves the right to triple up the dorm rooms. If SVS does not receive your team registrations by the second week in June there is a good possibility that your players will be tripled. Note: We do not have unlimited dorm space. The sooner you get SVS your camp numbers the better off we all are.
- Helmets – We encourage all teams if possible to bring their helmets to camp. Camp Policy: When both teams scheduled have their helmets you use them. When one team doesn't you don't use them.
- Air Conditioned Dorms – West Chester and Millersville University are providing you with air conditioned facilities. No need for fans. If you are not staying in an air conditioned dorm or apartment you will be notified in advance.
- Camp Store – At West Chester the university policy does not allow players to order outside and have pizza delivered to the dorms. Pizza orders will be taken each day by the West Chester Football Staff and the pizza will be delivered to your dorm at 9:30 p.m.
