

SVS SPORTS ADDS CADE PRIBULA AS ASSISTANT DIRECTOR OF SVS TEAM CAMPS

**FORMER RECORD-SETTING PENNSYLVANIA QUARTERBACK
TO HELP EXPAND SVS TEAM CAMP PROGRAM**

LANCASTER, PA — SVS Sports announced today that Cade Pribula has joined the organization as Assistant Director, SVS Team Camps, strengthening a program led by SVS Team Camps Director and Hall of Fame Coach Jim Cantafio. Cantafio's leadership has helped establish SVS as one of the most respected names in QB-WR-Kicker training and team development.

SVS currently partners with Millersville University and East Stroudsburg University to host over 100 high school teams and more than 3,000 players from across New Jersey, Pennsylvania, Maryland & Delaware each summer.

Cade brings a strong blend of on-field experience, academic achievement, and professional focus. He earned his Bachelor of Science in Finance from the University of Delaware, where he began his college football career, and later continued his playing career at Sacred Heart University, completing his MBA. Cade is currently employed as a VP of Capital Markets with Inch & Co. in York, PA, where he supports the company's operational and strategic initiatives.

Cade's foundation as a quarterback was built at Central York High School, where he became one of the most productive passers in Pennsylvania. He finished his career with 7,836 passing yards, 85 passing touchdowns, and 17 rushing touchdowns — setting both Central York and York County records.

In this new role, Cade will work closely with high school coaches across PA, NJ, DE, MD, and surrounding states to help grow and strengthen the SVS Team Camp program. His attention to detail, communication skills, and quarterback background make him a strong addition to the SVS team and to the programs we serve throughout the region.

"Cade Pribula is one of the most prolific QB's in PA history and we are happy to add him to the SVS Team as our Ass't Director of SVS Team Camps", said SVS Sports Director, Jim Cantafio. "His background will be a real asset and he will be focused on expanding our Team Camps to reach high schools all along the East Coast."
